Founded in 2001, Township 7's acclaimed handcrafted wines are produced in small lots from the best vineyards from our winery on the Naramata Bench, in the south Okanagan Valley, and from vineyards at our winery in the Fraser Valley. Our boutique winery is committed to creating exceptional wines that are complex, flavourful and well balanced. The Langley wine shop is housed in the beautiful south Langley countryside in a quaint building reminiscent of the many riding stables in the neighbourhood. Our Okanagan wine shop is surrounded by 7 acres of vines on the picturesque Naramata Bench and offers visitors the opportunity to see the workings of the winery first hand. Both locations are open year round. [www.township7.com](http://www.township7.com)
